## Experience

---

### Remote Mortgage Broker — WeFund Mortgage

January 2025 – Present | Remote

- Built operational infrastructure from scratch in a 0 → 1 environment — designed reporting systems, automated workflows with OpenClaw, and established data governance standards
- Managed end-to-end revenue operations from lead generation through closing, tracking conversion metrics and identifying process bottlenecks across multiple stakeholders
- Built AI-assisted workflows to automate CRM data management, prospect engagement tracking, and pipeline analytics — reducing manual overhead and improving data accuracy

### Team Lead - Strategic Sales Development Representative — RollWorks/AdRoll

June 2022 – January 2025 | Remote

- Generated \$1.205M in ARR opportunities and built \$1.8M+ in pipeline through data-driven territory optimization and CRM-based account prioritization across 700+ enterprise accounts
- Built automated prospecting and research workflows using Clay.com and AI, translating GTM data into scalable outbound strategy and reducing manual operational overhead
- Owned CRM hygiene, forecasting, and KPI reporting — delivering reliable pipeline health metrics and conversion analytics to sales, marketing, and leadership stakeholders
- Exceeded quota in 15 of 18 months by analyzing engagement data, marketing lead quality, and funnel performance to systematically optimize the sales process
- Partnered cross-functionally with AEs, marketing, customer success, and RevOps to align on data standards, reporting accuracy, and operational processes

### **President's Club Sales Executive — loanDepot**

November 2020 – June 2022 | Remote

- Originated \$36M+ in loans while tracking operational metrics from lead acquisition through funding, achieving a 24% close rate and 74% funded-to-lock retention
- Reached top 10% of 1,000+ originators within 8 months by building performance dashboards, analyzing funnel data, and optimizing follow-up cadence
- Built personal reporting on pipeline health, lead engagement, and retention metrics — the operational visibility that RevOps teams formalize at scale

### **Account Executive + Purchasing Manager Liaison — CarMax**

September 2013 – November 2020 | Wisconsin and California

- Managed cross-functional operations for a 10-person team across procurement analytics, B2B partnerships, and customer-facing processes
- Ranked #1 buyer in market through data-driven purchasing decisions, analytical rigor, and process optimization

## **Education**

---

B.S. Business Administration — University of Wisconsin–Milwaukee, 2009 – 2013
